Picture #2: original 2018 plan: *Lakeside Mall* with new surrounding buildings.

Note: this is titled *Concept B*. The process involved will involve partial redevelopment. See *reference #2 in Section 14: References*.

Picture #3: current 2022 plan: *Lakeside City Circle*.

Note: the process involved will involve complete redevelopment. This is **predicted to take up to "10 to 12 years"**, according to Sterling Heights Mayor Michael Taylor. See *reference #3 in Section 14: References*.

5. (see above)

A. re-open: do not demolish, and do introduce new business-only tenants.

B. re-zone and re-open: do not demolish, and do introduce new non-business tenants; include event hosting, housing/residential, government/municipalities, offices, supermarkets, etc. See **picture #1** above.

C. remain open, and re-zone: do not demolish, and do redevelop the surrounding parking lots only (original 2018 plan). See **picture #2** above.

D. close, demolish, and re-develop: do demolish and redevelop both the building and the surrounding parking lots (original 2022 plan). See **picture #3** above.
